### **Tracking Tools and Opt-Out**

The Services use cookies and similar technologies such as pixel tags, web beacons, clear GIFs and JavaScript (collectively, “Cookies”) to enable our servers to recognize your web browser, tell us how and when you visit and use our Services, analyze trends, learn about our user base and operate and improve our Services. Cookies are small pieces of data— usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Services. We may also supplement the information we collect from you with information received from third parties, including third parties that have placed their own Cookies on your device(s). Please note that because of our use of Cookies, the Services do not support “Do Not Track” requests sent from a browser at this time.

We use the following types of Cookies:

- **Essential Cookies.** Essential Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Services. Disabling these Cookies may make certain features and services unavailable.
- **Functional Cookies.** Functional Cookies are used to record your choices and settings regarding our Services, maintain your preferences over time and recognize you when you return to our Services. These Cookies help us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

They do this by collecting information about the number of visitors to the Services, what pages visitors view on our Services and how long visitors are viewing pages on the Services. Performance/Analytical Cookies also help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Services’ content for those who engage with our advertising. For example, Google Inc. (“Google”) uses cookies in connection with its Google Analytics services. Google’s ability to use and share information collected by Google Analytics about your visits to the Services is subject to the Google Analytics Terms of Use and the Google Privacy Policy. You have the option to opt-out of Google’s use of Cookies by visiting the Google advertising opt-out page at [www.google.com/privacy\\_ads.html](http://www.google.com/privacy_ads.html) or the Google Analytics Opt-out Browser Add-on at <https://tools.google.com/dlpage/gaoptout>.
- **Retargeting/Advertising Cookies.** Retargeting/Advertising Cookies collect data about your online activity and identify your interests so that we can provide advertising that we believe is relevant to you. For more information about this, please see the section below titled “Information about Interest-Based Advertisements.”

You can decide whether or not to accept Cookies through your internet browser’s settings. Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are

already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our website and some of the Services and functionalities may not work.

To explore what Cookie settings are available to you, look in the “preferences” or “options” section of your browser’s menu. To find out more information about Cookies, including information about how to manage and delete Cookies, please visit <https://allaboutcookies.org>.

We retain Personal Data about you for as long as you have an open account with us or as otherwise necessary to provide you with our Services. In some cases we retain Personal Data for longer, if doing so is necessary to comply with our legal obligations, resolve disputes or collect fees owed, or is otherwise permitted or required by applicable law, rule or regulation. If there are any conflicts between this section and any other provision of this Privacy Policy and you are a California resident, the portion that is more protective of Personal Data shall control to the extent of such conflict. If you have any questions about this section or whether any of the following rights apply to you, please contact us at [tos@chatfuel.com](mailto:tos@chatfuel.com).

If your deletion request is subject to one of these exceptions, we may deny your deletion request.

You have the right to opt out of the sale or sharing of your personal information, including for the purpose of cross-context behavioral advertising.

You may submit a Delete Request by email at: [tos@chatfuel.com](mailto:tos@chatfuel.com).

Please note that Chatfuel may retain a record of your request to delete your personal information.

#### Exercising Your Rights

To exercise the rights described above, you or your Authorized Agent (defined below) must send us a request that (1) provides sufficient information to allow us to verify that you are the person about whom we have collected Personal Data (personal ID, email address, last 4 digits and expiring date of the payment card, bot URL, customer page URL, etc.), and (2) describes your request in sufficient detail to allow us to understand, evaluate and respond to it. Each request that meets both of these criteria will be considered a "Valid Request." We may not respond to requests that do not meet these criteria. We will only use Personal Data provided in a Valid Request to verify your identity and complete your request. You do not need an account to submit a Valid Request.

We will work to respond to your Valid Request within 45 days of receipt. We will not charge you a fee for making a Valid Request unless your Valid Request(s) is excessive, repetitive or manifestly unfounded. If

we determine that your Valid Request warrants a fee, we will notify you of the fee and explain that decision before completing your request.

You may submit a Valid Request by email at: [tos@chatfuel.com](mailto:tos@chatfuel.com).

You may also authorize an agent (an "Authorized Agent") to exercise your rights on your behalf. To do this, you must provide your Authorized Agent with written permission to exercise your rights on your behalf, and we may request a copy of this written permission from your Authorized Agent when they make a request on your behalf.

#### Personal Data Sales Opt-Out and Opt-In

We will not sell your Personal Data, and have not done so over the last 12 months.

#### We Will Not Discriminate Against You for Exercising Your Rights Under the CCPA

We will not discriminate against you for exercising your rights under the CCPA. We will not deny you our goods or services, charge you different prices or rates, or provide you a lower quality of goods and services if you exercise your rights under the CCPA. However, we may offer different tiers of our Services as allowed by applicable data privacy laws (including the CCPA) with varying prices, rates or levels of quality of the goods or services you receive related to the value of Personal Data that we receive from you.

#### Nevada Resident Rights

Nevada law (NRS 603A.340) requires each business to establish a designated request address where Nevada consumers may submit requests directing the business not to sell certain kinds of personal information that the business has collected or will collect about the consumer. A sale under Nevada law is the exchange of personal information for monetary consideration by the business to a third party for the third party to license or sell the personal information to other third parties. We do not currently sell personal data as defined under Nevada law. If you are a Nevada consumer and wish to submit a request relating to our compliance with Nevada law, you can exercise this right by contacting us at [tos@chatfuel.com](mailto:tos@chatfuel.com) with the subject line "Nevada Do Not Sell Request" and providing us with your name and the email address associated with your account.

#### Virginia Resident Rights

If you are a resident of Virginia, this section provides information about your privacy rights under the Virginia Consumer Data Protection Act ("VCDPA").

Subject to certain limitations, the VCDPA affords you the following rights:

- to confirm whether we are processing your personal information, and to access that personal information;
- to receive your personal information in a portable and readily usable format;
- to correct inaccuracies in your personal information;
- to delete your personal information;
- to opt out of the processing of your personal information for targeted advertising, sale to third parties, or profiling where there is a legal or similarly significant effect on you.

You may exercise these rights by contacting us at [tos@chatfuel.com](mailto:tos@chatfuel.com) and by updating your cookie

preferences.

If you use the Services after any changes to the Privacy Policy have been posted, that means you agree to all of the changes. Use of information we collect is subject to the Privacy Policy in effect at the time such information is collected.
